

A school for enhancing oratory and written English skills of Vedic Priests

INTERNATIONAL VEDIC PRIEST TRAINING PROGRAM

What It is?

- Full time resident course, to prepare Vedic Pracharaks for western world.
- Emphasis on enhancing the English skills of existing Vedic Priests (Those who already know Vedic Principles/Arya Samaj and have studied in a Gurukul or similar atmosphere)
- Being conducted in Tapovan Ashram Dehradun India
- Course duration one year

What's the need of this

- To achieve the goal of Krinvanto Vishwamaaryam and to spread the knowledge of Vedas and Arsh scriptures globally, the Pracharaks must be fully conversant in English
- To communicate better with younger generation, they need to know English.
- There is a shortage of English Speaking priests in the western world. They are needed to be able to do Shaastraarth with representatives of various other sects.

Who are the sponsors?

- Program is a brain child & dream project of Dr. Deen B Chandora of Atlanta.
- For now, its fully funded by Dr. Chandora, but more sponsors to start similar course in additional languages are needed.
- Is being conducted in direct supervision of Acharya Ashish Darshnacharya from Vedic Sadhan Ashram, Tapovan, Dehradun and is a disciple of Swami Satyapati Ji, Darshan Yog Mahavidyalaya, Rojad, India
- Other people in the advisory board are Dr. Mahavir Agarwal ,Anuvrat Arya, Vishrut Arya

Program Objectives

- To prepare Vedic Scholars so that they get adjusted to western culture/atmosphere easily.
- To enable them to be able to communicate in English in daily life
- To solidify their knowledge of Vedic Scriptures & help them learn to express that knowledge in English.
- To make them aware of the common etiquettes as related to western world.
- To develop the art of public speaking.

Some facts..

- One year is not enough to develop all those skills.
- A base is developed and they build on that when they get exposed to the western culture/atmosphere.
- They are expected to adapt to the conditions faster and learn faster as they have the base now. This is the basic aim.

How Can We Cooperate

- To save our Vedic(Hindu) religion we have to place the Pracharakas at western countries wherever the need is. This is our prime duty to save our young generation, which is a soft target of conversion ,drug addiction, adultery etc.
- Those Arya Samajs/organizations who are in need of trained English Pracharaks, please contact us.
- You can also offer your oblations in this MAHA YAJNYA by sponsoring the next batches.

- 
- Value their time and efforts as we value the time of any other.
 - Please give wide publicity to this program whereby the Vedic Pracharaks/Priests can be flooded in the whole world. Thus we may also fulfill the Shuddhi Goal of Arya Samaj.
